In an effort to address hiring challenges that have been persistently reported by local employers, the Northern Virginia IT Employment Project (NVITE) will build the pool of skilled professionals seeking to enter the IT field.

NVITE is seeking employers who would like to save time and money on the hiring and training of new IT professionals through an On-the-Job Training opportunity.

NVITE is offered through a partnership with The **SkillSource** Group, Inc. and the Greater Washington Community Foundation.

### **BENEFITS TO EMPLOYERS:**

- Reduction in training costs through wage reimbursement.
- Pre-screened job candidates who meet preferred qualifications.
- Employer designed training.
- Ongoing support from workforce professional.
