

Career Training Open Houses

**Are you interested in training for a new career or a promotion?
Would a certification or degree advance your career?**

Plan to attend NOVA's Career Training Open House, where you can learn about dozens of affordable career training programs from NOVA and our community partners. In one place, you can get information about:

- ⇒ Numerous STEM related degrees and certificates
- ⇒ Job training programs through NOVA's CBO Initiative & other NOVA partners
- ⇒ Sessions on Financial Aid and Individual Training Account tuition funding
- ⇒ Counseling services customized for adult students
- ⇒ Flexible weekend, evening, and online courses
- ⇒ Assistance for job seekers
- ⇒ Services for unemployed Virginians

Attend either of the Open House events listed below:
